PROTOTYPING IS...?

PROTOTYPING IS...?

a way to seek an answer that allows a better-informed team to move forward

a single question brought to life

a productive exploration

a way to learn

building to think

an attitude of experimentation

WHY PROTOTYPE

WHY PROTOTYPE

to gain **EMPATHY**

to EXPLORE

to TEST

to INSPIRE

understand the **design space**

build to think

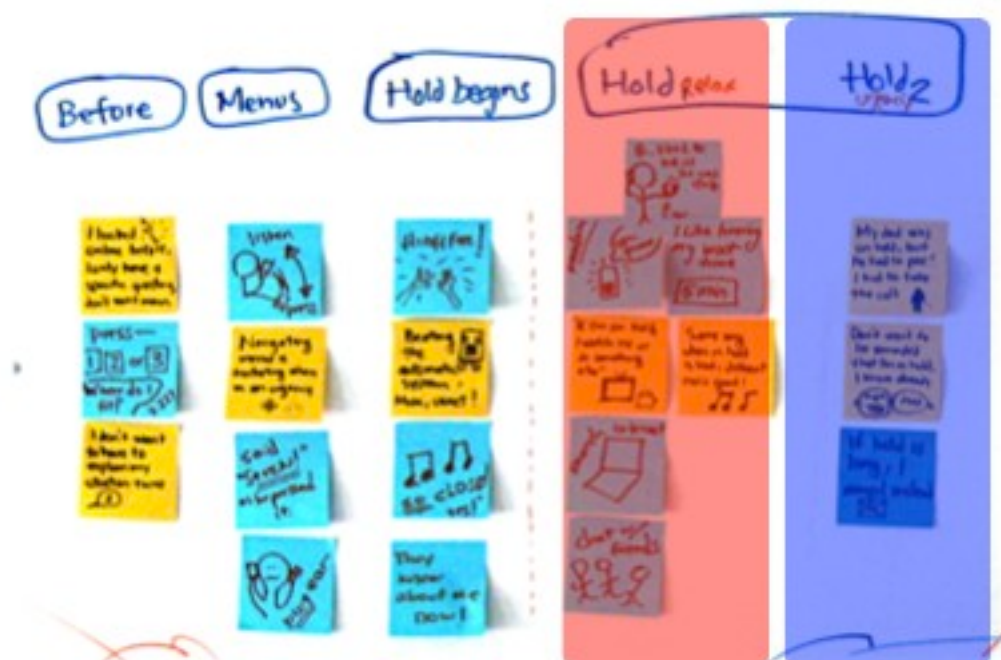

test and refine solutions

a way to tell stories

solution development
(roughly)

PROTOTYPE to gain empathy

PROTOTYPE to gain empathy

PROTOTYPE to gain empathy: the warm-up

PROTOTYPE to gain empathy: iteration over time

PROTOTYPE to gain empathy: environment

PROTOTYPE to gain empathy: your team

ways to help my team
IMMERSE in the project
context

what are our users feeling and
how can we recreate that?

ways to help my users explore their
feelings about an everyday event

what's a way we can get the
users to WARM UP before
we meet?

EXAMPLE RECAP

Our **PROTOTYPING ACTIVITY** today

5-10 MIN: identify where your team needs better depth of insight

20-25 MIN: prototype an empathy tool

5 MIN: test with a partner team

1 MIN: headline #teamhashtag, question/intent, and empathy tool
